

Stittsvegas – Are you ready for some Football!!!

The Stittsvegas Site is up and running for another season of Football. To avoid confusion, let me explain how the pools work.

Pick'em Pools

- There is a weekly pick'em pool and a bonus yearly pick'em pool. The yearly pool simply takes your weekly picks and sums them up for the entire season. The weekly pool costs \$10 per week (17 weeks for \$170) and the yearly pool cost is an extra \$30 (one-time charge). Your total cost is \$200 for the entire season. Rules for picks.
 - We only use Sunday and Monday games! No Thursday, Saturdays or overseas games.
 - We pick straight up winners (no point spreads)
 - The tie breaker is the total points of the Monday night game.
- Weekly winner usually gets \$1,000.00+ depending on number of entries - we do not take any money to run the pool
- Second place weekly winner gets \$50.00
- For the Yearly Pick'em Pool the person who has the highest number of correct picks for the entire season wins this pool. 65% of total pot for yearly to first place finisher, 35% to second place finisher and 10% to third place finisher

Survivor Pool

- The Survivor Pool allows everyone who enters to pick one team to win each week. If their respective team wins, they SURVIVE and move to the next week. Each team can only be used once a season. A TIE IS A LOSS for Survivor!
 - The cost to enter the Survivor Pool is \$50.00
 - Most seasons we start a second and possibly a third survivor pool for those who get eliminated early – upsets do happen!
 - In the Survivor Pool – WINNER TAKES ALL. Depending on the number of players this pot usually exceeds \$4,000.00 (80 players).

Some Additional Rules

- People must be signed up on-line prior to the first Sunday of the season and all players will have usernames and passwords emailed to them prior to opening Sunday.
- All picks must be submitted by 12:30 EST on the Sunday to be eligible for the pool.
- Real-Time online updates and stats will be available after kick-off and all picks will be locked. For those who didn't use this feature last season, it is very neat as anytime on Sunday or Monday you can see how close you are to the money.
- All weekly, yearly and survivor entry fees need to be paid, prior to the season starting.
